## Thespian Membership

You must have **10 thespian points to qualify for induction into Thespian Society Membership**. If you have transferred to University High School and were a member of a thespian troupe at your previous school, you may request to transfer your membership and points to the Titian Thespian Troupe.

\*Most named roles are actually minor roles, not lead roles. Lead roles would be parts such as Sandy or Danny in *Grease*, but Rizzo would be a minor role. Leads in musicals have multiple solos; in plays they have the majority of lines and monologues.

**Thespian Membership is open to ALL U-High students; you do not have to be enrolled in a drama course to join the thespian troupe.**

**ALL points must be earned while the student was in high school - we cannot count previous U-Drama productions from middle school or elementary school.**

## Lettering

You must earn 10 thespian points to letter. Thespian points may be accumulated from year to year, but to letter ALL 10 points must be earned at U-High and in that school year alone to letter.
